CEC Project 112-048

Dear Mr. Fox:

On behalf of Weavertown Transport Leasing, Inc. (WTL), Civil & Environmental Consultants, Inc. (CEC) is pleased to submit four copies of the enclosed Solid Waste Transfer Station Permit to Install (PTI) Application for the WTL Transfer Station located in Grandview Township, Washington County, Ohio. The WTL Transfer Station will be a new facility providing solid waste transfer of non-hazardous solid waste, sludges and liquid wastes. One additional copy of the PTI Application is also being provided to the Washington County Health Department.

An applicant's public meeting to describe the WTL Transfer Station will be held at the New Matamoras Elementary School on September 6, 2012 at 6:00 pm in the school cafeteria. The legal notice advertising the meeting was published in the Marietta Times on Friday, August 3, 2012. The meeting date and time were coordinated with Ms. Amber Finkelstein of the Ohio Environmental Protection Agency Public Interest Center.

Please contact me at (614) 545-1260 or by email at rstanley@cecinc.com if you have any questions or if you require additional information.

RE: Notification of WTL Transfer Station
Solid Waste Transfer Facility Permit to Install Application
Weavertown Transport Leasing, Inc.
Grandview Township, Washington County, Ohio

Dear Mr. Ponchak:

In accordance with the Ohio Administrative Code (OAC) 3745-27-21 (C)(5)(a), Weavertown Transport Leasing, Inc. (WTL) is hereby notifying you that a Permit To Install (PTI) Application for the WTL Transfer Station will be filed during August 2012 with the Southeast Ohio District Office (SEDO) of the Ohio Environmental Protection Agency (Ohio EPA) located in Logan, Ohio. The WTL Transfer Station will be a new facility providing solid waste transfer for non-hazardous solid and liquid wastes. The attached figure provides the approximate location of the proposed WTL Transfer Station. WTL will hold a public meeting to discuss the PTI Application. The date, time, and location will be published in local newspapers at least 30 days prior to the meeting date.

Copies of the PTI Application for the WTL Transfer Station will be on file and may be reviewed at the Ohio EPA, SEDO in Logan, Ohio. If you have any questions, please contact me at 724-746-4850.

Very truly yours,

Daryl Heiser, Vice President.

Applicant's Meeting: Requirements and Ohio EPA Recommendations

The applicant is required to hold a public meeting no later than 35 days after submitting certain applications. See ORC 3734.05(A)(2)(d) for public meeting requirements.

At least 30 days before the public meeting, the applicant must publish notice of the meeting in all newspapers of general circulation published in the county. For information on newspapers of general circulation, contact Ohio EPA's Public Interest Center at (614) 644-2160.

The Agency recommends that the applicant contact each newspaper to ensure the legal notice is published in all newspapers in time to comply with the required deadlines.

No later than 5 days after the notice is published, the applicant must send a copy of the notice(s), with the date(s) published, by certified mail to the director of Ohio EPA.

The notice must also be sent by certified mail to the legislative authority and the chief executive officer of each municipal corporation, and the legislative authority of each township and each county in which the facility is or is proposed to be located.

No later than 30 days after the public meeting, the applicant must provide the director of Ohio EPA with a copy of the full meeting transcript; copies of any exhibits, displays or other materials presented at the meeting; and the original copy of any written comments submitted at the meeting.

The meeting shall include:

- * description of the permit application process by an Ohio EPA employee,
- * outline of the proposal in the permit application by the applicant,
- * response by the applicant to comments and questions raised during the meeting,
- * an opportunity for citizens to submit written or oral comments regarding the application.

In addition, the Agency recommends that the applicant:

- * arrange for any necessary audio/visual equipment,
- * provide DSIWM's fact sheet regarding the permit to install process,
- * prepare and provide fact sheets about the facility,
- * provide registration sheets for a record of attendance and mailing list,
- * establish an information repository in a library near the facility.

Applicants are responsible for all costs of their public meeting except for Ohio EPA personnel costs.
