

DO WE WANT ANOTHER C-8 IN OUR COUNTY??

LET'S STOP ANOTHER TOXIC INJECTION WELL
FROM BEING PERMITTED!

What: County Commissioners host Public Meeting
When: Tuesday, Dec. 30, 6-8 pm
Where: Federal Valley Resource Center (FVRC)
8225 Ohio State Route 329, Stewart
Why: Get and share information about threats from K&H3

With this proposed new well, Athens County may become #1 in frack waste injection in Ohio

During the first three quarters of 2014, K&H#1&2 wells have injected 1,305,360 barrels into our ground. The proposed K&H#3 would add an additional 4,380,000 barrels into our county annually.

HOW TO BE HEARD:

1. Come to the meeting!
2. Add your name to a list of concerned residents by sending your name and address to Athens County Commissioner Lenny Eliason: leliason@athensoh.org with subject line: *No Injection Well Permit*.
3. See acfan.org for instructions and comments to send to ODNR.

Comments due Jan. 2.

The County Commissioners want to hear from you!
