

Waynette Carolers' Debut December 2015

with thanks to the Marcellus Protest Group for the lyrics!

Sung to "Jingle Bells" (Weir)

Dumping in our streams
From your toxic field of waste
O'er our hills you go
Fracking to and fro
Protests start to ring
Making spirits sing
Oh what fun it is to be
In a forest fracking free

OH...Frackers Go, Frackers Go..Fracckers Go Away
The Wayne is green and we will see on evil ways...
OH..Fracckers Go, Frackers Go, Frackers Go Away
The Wayne is green and we will see a ban on evil ways.

^^

Sung to "We Wish You A Merry Christmas" (Weir)

We wish you a frack-free Christmas
We wish you a frack-free Christmas
We wish you a frack-free Christmas
And a healthy New Year!

Good tidings to you and all of your kin
Good tidings..Stop Fracking!
And a healthy New Year.

Oh.give us a ban on drilling
Oh give us a ban on drilling,
Oh give us a ban on drilling
And do it right now.

We won't stop until we get one
We won't stop until we get one
We won't stop until we get one
Our earth is too dear.

Sung to: "Winter Wonderland"
"Fracking Wonderland" (Lorig from Texas)

Fire bells ring, are you listening
In the lane, oil is glistening
A terrible sight,
the gas drills at night.
Walking in a fracked up wonderland.

Gone away is the bluebird,
they're all dead ain't no new birds
the pipes that they laid,
sent the wildlife away,
living in a fracked up wonderland.

In the meadow we can build a snowman,
Til Haliburton comes and knocks it down
they'll say: Are you leasing?
We'll say: No man,
there ain't no frickin frackin in this town!

Later on, we'll expire,
when our sink erupts in fire
To fight unafraid,
The plans that they've made,
living in a fracked up wonderland.

When they come and start drilling,
it's not just us they're killing
We'll frolic and play, when we run them away,
living with protected forest land
Living with protected forest land
Living with protect forest land
